

Cuple

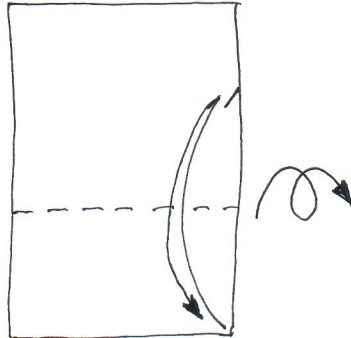

Design and diagram by Garibi Ilan, 2011

①

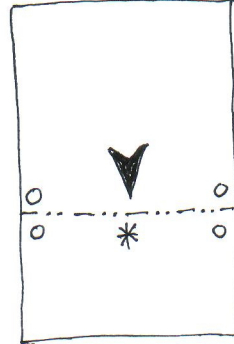

Use Alt.
Pinch only.

②

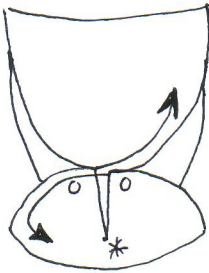

Fold to the pinch
and unfold. Turn over.

③

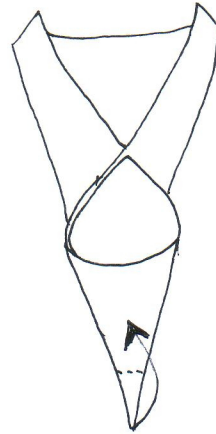

Pinch with two hands by
the circles, while pushing the *
inward. Hold on to the circles!

④

Slide the holded corners
in two opposite directions
until the two front corners
meet.

⑤

To lock the Cuple,
fold the corner.

This double-cup model is perfect
for Sunflower seeds - one cup for the
seeds, the other for the empty shells.
